Invitation Letter - Workshop on "Climate Change: Implications for Debt Management & Monetary and Fiscal Policy Design", 3–6 June 2026, Bangkok, Thailand

Dear Dr. Shuhong Zheng:

We are pleased to inform you that your paper "**Corporate carbon greenwashing and bond market penalties from a signaling theory perspective**" has been accepted for presentation at the **Workshop on Climate Change: Implications for Debt Management & Monetary and Fiscal Policy Design**. In addition to presenting your paper, you are invited to serve as a discussant for one of the other papers presented at the event.

As an important academic event focusing on the intersection of climate change, debt management, and monetary and fiscal policy, this workshop will gather experts, scholars and practitioners from all over the world to discuss cutting-edge issues, share research results and promote in-depth cooperation. We are certain that your participation will contribute to the success of the workshop.

Please note that you are solely responsible for arranging necessary travel, meals, registration, housing accommodations, and paying the associated fees for each. These fees are additional and the responsibility of all attendees.

Looking forward to seeing you in Bangkok!

Sincerely,

John Beirne
Principal Economist
Economics Research and Development Impact Department
