Invitation to the 2026 5th International Symposium on Big Data and Artificial Intelligence: For Education Transformation

Dear Professor Dan Liu,

We are honored to extend a warm invitation to you to participate at the 2026 5th International Symposium on Big Data and Artificial Intelligence: For Education Transformation (ISBDAI), which will be held in Hong Kong from May 26-28, 2026. This prestigious event is dedicated to exploring the latest advancements and applications in the fields of big data and artificial intelligence.

Event Highlights:

- Renowned speakers from around the world will share their insights and experiences.
- Cutting-edge research presentations and panel discussions.
- Networking opportunities with leading experts and industry professionals.

The symposium will take place at **The Hong Kong Polytechnic University**. We believe that your presence and contributions will greatly enhance the event. Whether you are a researcher, practitioner, or enthusiast in the fields of big data and artificial intelligence, this symposium offers a unique platform to exchange ideas, learn from others, and collaborate on future projects.

Registration deadline: April 30, 2026.

Should you need further clarification, please do not hesitate to contact us at anna@ieti.net. We look forward to having your valuable and prestigious participation at our conference.
